BENCH AIR PRESSES...

Quality, Performance and Versatility

Fancort's quiet, smooth action bench air presses are designed with a high degree of functionality and versatility for light assembly work up to 5.0 tons. The deep throat, large bed area and stable base make these presses the most user friendly on the market. They have clean and simple packaging with a shroud to enclose the cylinder, tubing and controls. The presses come standard with all controls in place including a counter, and even have provisions for die mounting. **Shipped "ready-to-run!"**

- ◆ 13 1/4" x 16" bed area with ram 7.125" from front of die plate with 1.5" x 1" die shank collar; 22" wide die plate available
